Please support our advocacy for a world without poverty. We need your support to strengthen our efforts and convince public opinion, media, political parties and international organizations that a world without poverty is not a dream for a far away future but an obligation and possibility here and now.

Become a donor with a yearly contribution of € 35,00 (\$ 45,00). Or help us with a one-time donation. We are thankful for any support that you are willing to give us.

If you want to become a donor, please contact us by e-mail and transfer the contribution to our account indicating that you are a ‘new donor’.

You can also help by contributing your talents, skills and experience. There are many things you can do. We need help, for example, to:

- * improve our website
- * design a logo
- * distribute this brochure
- * raise funds
- * make a presentation about GBI
